Sir,

I am directed to refer to paragraph 6 of the letter from this Residency No.F.115-42/W, dated the 24th October 1943, and to state that the Government of India have now decided that the quarterly nil returns from White areas (in which the Mysore State is now included) should be discontinued in view of the unlikelihood of casualties occurring in those areas.

2. There may, however, be instances where civilians after sustaining injuries in a Red area, may move to any towns in White areas, and die there. It is important that details of such cases should be communicated to the Government of India if and when they occur, for transmission to the Imperial War Graves Commission, and I am accordingly to request that returns of such cases may kindly be sent to this Residency.

I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE RESIDENT.
